INTRODUCTION

Welcome to Propel, Tourism HR Canada's Student Work Placement Program (SWPP), funded by the Government of Canada.

Propel offers post-secondary students opportunities to develop the work-ready skills required to secure meaningful employment upon graduation. Qualifying employers are provided with a wage subsidy for each student hired through the program.

This Employer Guide will assist you with setting up an account in the Propel portal, then posting a job and applying for a wage subsidy.

For further details on the Propel program, including eligibility criteria, click [here](#).

FINISH

Congratulations!

You have now completed onboarding and are ready to submit a Work-Integrated Learning opportunity and/or apply for SWPP wage subsidy funding.

WHAT'S NEXT?

There are three options you can choose from to proceed:

1. Post a Work-Integrated Learning opportunity; OR
2. Apply for a subsidy
3. Post a Work-Integrated Learning opportunity AND apply for the subsidy together. The system will have both questionnaires lined up for convenience.

Would you like to post a Work-Integrated Learning opportunity on the platform?

Instructions can be found on next page, under 'Posting a Work-Integrated Learning Opportunity'.

POSTING A WORK-INTEGRATED LEARNING OPPORTUNITY

Employers do not 'have to' post a Work-Integrated Learning opportunity on this platform. Opportunities can continue to be posted via other avenues. Employers need only come to the Propel portal to submit a wage subsidy funding application once a qualifying position is filled (separate instructions later in this document). If those positions get filled, employers need only come to this platform to submit a subsidy application (separate instructions later in this document) for that placement.

If you do choose to post a Work-Integrated Learning Opportunity here, there are two ways you could go about it. Both options work the same; it's simply a matter of choosing which is most convenient for you. You will see these options when you begin:

1. Post a Work-Integrated Learning Opportunity and come back later to submit a subsidy application.
2. Post a Work-Integrated Learning Opportunity AND submit a subsidy application in one sitting. This option is recommended, as you won't need to remember to come back and complete the subsidy application later. It may save you time to complete these steps in one go.

To demonstrate here, we will walk through option 1 (post a Work-Integrated Learning Opportunity only) as the steps to submitting a subsidy application are outlined separately in the next section. The steps for the application will be the same if you were to choose option 2 at this point.

STEP 1

On your account homepage, you will see flashing boxes that alternate between **'Student Work Placement Program' or 'For Work Integrated Learning (WIL) job postings'**. Click on **'Apply Now'** for the Student Work Placement Program (don't worry, you will first be prompted with the option to post the Work-Integrated Learning Opportunity and/or apply for the subsidy).

STEP 2

When prompted, authorize Orbis to access your account.

STEP 3

Review the Terms of Use. To accept them, click the toggle at the bottom of the page for 'I agree to the terms of use' and then click 'Accept'.

The screenshot shows a 'Terms Of Use' page. At the bottom, there is a toggle switch labeled 'I agree to the terms of use'. A red arrow points from the left towards this toggle. Below the toggle are two buttons: 'ACCEPT' and 'DECLINE'.

STEP 4

You are now inside your Employer platform on Outcome Campus Connect, the portal used by the Propel program. You should see the following dashboard.

By clicking on the respective links at the top right, you can either 'Post an Opportunity' or 'Apply for Subsidy'. To post a Work-Integrated Learning Opportunity, click 'Post an Opportunity'.

The screenshot shows the Employer dashboard. At the top right, there are links: 'Back Home', 'Dashboard', 'Postings', 'Funding Applications', 'Stories', and 'Support'. Below these links are two buttons: 'Post an Opportunity' and 'Apply for Subsidy'. The main content area has a greeting 'Good Afternoon, [Name]' and a sidebar with logos for 'Tourism HR Canada' and 'RH Tourisme Canada'. The sidebar also contains text about opportunity posting and a 'Connect' button. The main content area has a box labeled 'My Opportunities - 0'.

STEP 5

The screenshot shows the 'Funding Wizard' interface. On the left is a sidebar with a vertical list of steps: Posting, Delivery Program Overview, Placement Term, Organization, Placement, Student, and Documents. The 'Posting' step is currently selected and highlighted. The main content area is titled '1. Create a new posting or continue'. It contains a text input field with the placeholder 'Do you want to create a posting first or apply for funding?'. Below this are two radio button options: 'Create a job posting and then apply for funding' (unselected) and 'Continue with only applying for funding' (selected). At the bottom of the main area are two buttons: 'Cancel' (red) and 'Next' (green). The 'Next' button is circled in red. A red arrow points from the 'Next' button to the right edge of the screenshot.

STEP 6

From the options provided, select the type of opportunity you would like to post. To find out more about these different types of Work-Integrated Learning (WIL) opportunities, visit this [CEWIL webpage](#), which explains the terms. If you are unsure what to choose, select 'co-operative education' and click 'Next'.

The screenshot shows the 'Opportunity Wizard' interface. On the left is a sidebar with a vertical list of steps: Select an Experience Type, Selected Term, Academic Programs, Targeted Schools, Open Network, Organization Details, Opportunity Details, Your Details, and Additional Options. The 'Select an Experience Type' step is currently selected and highlighted. The main content area is titled '1. What type of opportunity are you recruiting for?'. It contains a paragraph of text explaining that schools organize opportunities into different experience types. Below this is a list of five radio button options: 'CO-OPERATIVE EDUCATION' (selected and circled in red), 'SUMMER JOB', 'PART-TIME JOB', 'VOLUNTEER', and 'INTERNSHIP'. A red arrow points from the left edge of the screenshot to the 'CO-OPERATIVE EDUCATION' option.

STEP 7

Select the term and click 'Next'. Positions do not need to run the full duration of the term selected. For example, if you would like to post an opportunity that will run from September 1 to December 31, select 'Fall 2024'.

At the bottom, there is a question 'Do you have a business registration number?' with radio buttons for 'Yes' (selected) and 'No'.

Great! You have submitted your Propel SWPP wage subsidy funding application. We will review the application and be in touch for the next steps. The following pages of this document will show you how to track or update your application.

TRACKING AND UPDATING YOUR APPLICATION

STEP 1

Log into your Magnet account. Once on the Home page, click on the highlighted text.

STEP 2

To track the progress of your application(s), click the 'Dashboard' link in the top right of the portal. In the 'My Funding Applications Tourism HR Canada' area, click 'Pending' to see your submitted application(s).

STEP 3

On this page, you can see the status of your application (in this example, it says 'Pending'). To update your application (submit documents, add student details, etc.), click on the pencil icon next to the ID number as shown with the orange arrow.

If you are not able to make edits, please contact us using the message function (shown in Step 5, page 29), as it is possible that the application is locked and no longer open for edits.

STEP 4

Your application will open and will appear like this. You can make edits to specific sections by clicking on the pencil icon for those respective sections.

You can also track the progress of your application by checking the tags in the black banner at the top. Once the application is picked up by our team, the status will be updated to 'In Progress'. The tags will provide a little more information on what that means (for example, you might see tags like 'Reviewing application' or 'Pending more information' if we have contacted you for additional information).

STEP 5

If you scroll down to the end, you can see multiple options available: upload documents, delete your application (trash can icon) or send a direct message to Tourism HR Canada regarding this application (speech bubble icon).

For queries about this document or if you have trouble along the way, feel free to reach out to us anytime via the portal (using the speech bubble/messaging feature) or by contacting **propel@TourismHR.ca**.
